Deliberative

Jess,

Just to ensure you see all correspondence, attached are copies of templates we will be using to provide the response to comments to the consulting Tribes. The difference in the letters is that 3 tribes (the Seminole, Miccosukee and Poarch) were all invited to consult on the broader assumption package as well as NHPA. The other tribes consulted only on the NHPA. We have also attached the draft letter we will send to the Tribes which informs them of our final decision. This is the process we will use so that we can send the RTC in advance of making our final decision announcement.

We will also be crafting letters to FDEP and the SHPO transmitting the RTC – do you want to see them?

Thanks for all of your assistance.
Jeaneanne

Jeaneanne – Attached are clean copies of the letters to the Muscogee and Seminole Tribes that provide responses to comments received from the consulting parties. These letters will serve as templates for our responses to the other Tribes. Also I'm attaching a copy of our draft close-out letter to the Seminole Tribe, which is referenced in the letter transmitting our responses to comments. Please let me know if you have any questions or comments. Thanks, Tom
